

Stop Guessing About What Website and Social Media Content Converts Visitors Into Leads

Powerful Website and Social Media Data Analytics for Franchise Brands

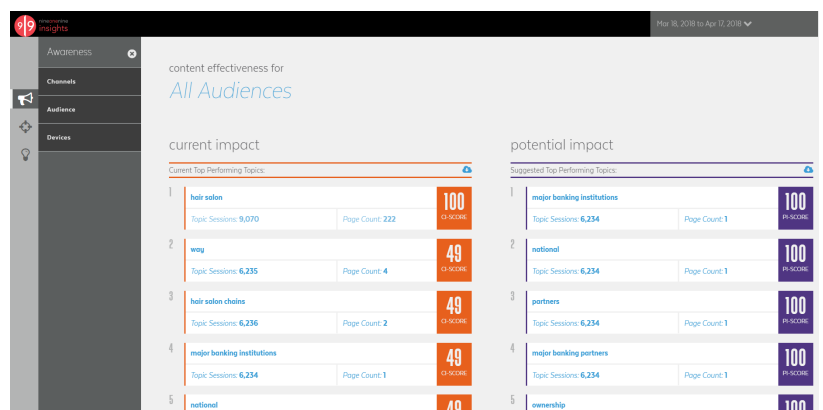

“919 Insights is the only content intelligence platform that enables franchise brands to stop guessing about the information candidates want and start delivering the content that converts website visitors into real leads”

Create The Right Content – Create More Franchise Prospects

- What content is driving franchise prospects to your website?
- What types of content are prospects reading on your website and social channels?
- What specific brand topics are converting into prospect leads?
- Are you optimizing content across all of your marketing channels, from organic search, social media, paid search email and more?
- Are you able to monitor your competitors via their online properties, social media campaigns, etc?
- What specific content is driving traffic to competitive brand websites?
- Are you measuring content marketing success using constantly updated data?
